

3.1 Identification of Project Team

Activity Purpose:

- Describe the specific organization necessary to manage the product realization.

Note(s):

- Each supplier shall be required to nominate at least one Supplier NPQP Representative (SNR) for their organization. This person will be responsible for ensuring that the requirements of NPQP are deployed through each related function in their organization. As a result, the nominated SNR(s) shall have sufficient responsibility and authority within their company to successfully undertake these responsibilities.
